ABOUT THE PROPERTY

A stunning four bedroom apartment on the fourth floor offering five star living in the heart of London with uninterrupted views of one of the world's most iconic landmarks from one of two expansive balconies. This apartment has an incredibly high specification finish with marble and patterned wooden flooring throughout the property.

The primary bedroom is spacious and bright with uninterrupted views towards Tower Bridge. The en-suite bath is a piece of art in itself made from walnut and with the flick of a switch the frosted glass partition clears with the views of Tower Bridge and the River Thames.
