ABOUT THE PROPERTY

This wonderful five bedroom house unfolds over four floors, offering versatile accommodation and an abundance of light. Recently redesigned, the property has exceptional ceiling heights throughout, a feature that is particularly rare for a mews house, as well as bedrooms with corresponding bathrooms.

Set in the middle of South Kensington, the house is close to some of the city's best schools, as well as the museums and restaurants the area has to offer. It is also close to transport links, including South Kensington Underground Station, as well as a short walk from the verdant Kensington Gardens.
