ABOUT THE PROPERTY

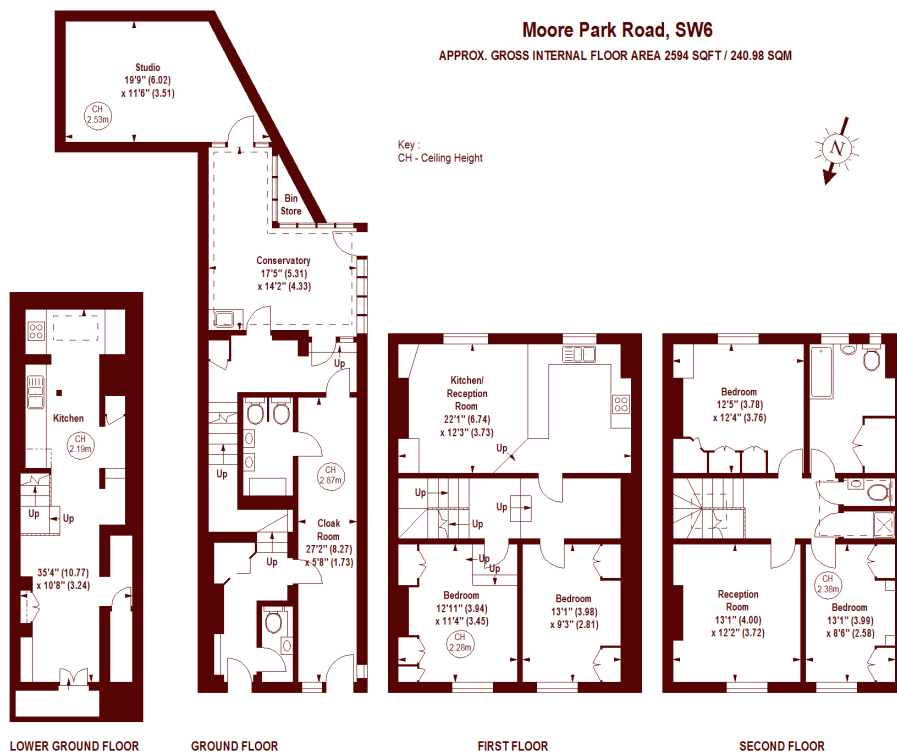

This extraordinary residential property is arranged over four storeys of a Victorian mid-terrace in Fulham and offers plenty of potential to add value.

This unique double fronted home, which measures around 2600 sq ft, takes you on an unexpected journey and is flooded with natural light.

The ground and lower ground floors were formerly a day nursery, but now provide wonderful entertaining space. The ground floor's light filled hallway leads into an impressive conservatory and a versatile studio space (previously a photographic studio).
